

K-seat
muzo

The K-seat is the ideal chair for any classroom, breakout area, dining hall, sports hall, cafe, exam hall and more. For both indoor and outdoor use, the K-seat is a truly multi-purpose seating solution.

With its streamline ergonomic design, light weight polypropylene shell, space saving stack-ability (up to 21 units high) and long-lasting durability, the K-seat is unquestionably the new one-piece chair of choice for schools and public facilities.

The K-seat is designed with flexibility in mind. The chair is lightweight, so can effortlessly be re-arranged. It has almost vertical stacking, so that it can be easily stored if the user needs to make more space in the classroom. It is extremely durable, we offer a 20 year warranty due to it's unrivalled strength.
