Case study

LVMH

The LVMH group comprises 75 exceptional Houses that create high quality products. It is the only group present in all five major sectors of the luxury market: Wines & Spirits, Fashion & Leather Goods, Perfumes & Cosmetics, Watches & Jewelry and Selective Retailing. LVMH currently employs 163,000 people across the world. Continuous investment in facilities and opportunities for employees to grow and learn is embedded in the companies culture.

Muzo Kite Tables were selected for the dedicated New York, LVMH meeting, training and collaborative learning space. We were delighted to work alongside the design team at AGD and project management company CJPAA to create this innovative world class facility.

"The LVMH Learning Center is a huge success & well received by those who have used the space. The Muzo Kite tables are a big part of this success, providing numerous configurations and the flexibility to suit LVMH's various training needs, my thanks go to the MUZO team who provided wonderful support and knowledge throughout the course of the project and following installation"
