# Giant Donut **muzo**

A giant, comfortable donut that you can sit on, relax on or walk around with it on your shoulders.

You can choose to sit on the edge or to get really comfy in the hole in the middle. This giant piece of pastry is ideal for chill-out areas and lounges. The fabric is easily changeable thanks to a super-sized zipper on the side of the product. This means you don't have to worry if you happen to spill some coffee on it.

Available in a wide range of fabrics, Giant Donut can be added into any space to add a functional element of fun.

## Performance points
