## Performance points

### PET Technology

PET Felt is made of recycled bottles which are turned into a soft yet robust Felt material, which is long lasting, UV stabilized and has great acoustic performance. PET Felt is both recycled as well as recyclable itself.

### Seat

Using a smart 3D pressing technique to provide environmentally friendly comfort to people. The back lip has been carefully designed to support users when leaning back.

### Grab handle and foot rest

Perfect to pull the chair away from an area and then to rest feet when in use.

### Customizable frame

When ordering a minimum of 50 LJ 3's of the same design, the color of the frame can be customized beyond the standard black and white options.

## Finish options

### PET felt

### Frame

(when ordering 50 or more, the color can be customized according to RAL color guides)

## Dimensions
