Features

- Active Learning: Lips is a proven tool for active learning, suitable from K-12 through universities. Its subtle rocking motion helps make the learning process enjoyable, lively, and engaging for students.
- Versatile & Impromptu: Featuring a convenient pull tag, Lips is easy to move and reconfigure, encouraging spontaneous gatherings, impromptu meetings, and personalized seating arrangements.
- Comfort & Relaxation: Beyond learning, Lips is simply a great place to sit back, relax, and socialize. Its plush, curvy design provides an inviting spot for downtime.
- Social Connectivity: Lips works seamlessly with a variety of products, facilitating flexible, ad-hoc ways of meeting and collaborating across different space typologies.
