

Town

muzo

Town chair, a futuristic reworking
of an archetype of design.

The country chair is one of the symbols of design or
'non-design'. The Town chair is an attempt to encourage
that quality of being friendly and lively through solid design
and ease of use.

Stackable with high versatility, ideal as a canteen chair, perfect for outdoor areas and any cafe-style environments.

Performance points

Comfort
Sublte curve on the seat centers user in chair whilst the vertical curve at the back tapers body gently up to the backrest.

Curved Back
Gently supports the back, and provides air flow for comfort.

Stackable and light
At 9 lbs, Town is easily stacked and moved around.
